March 19, 2020,

Dear A.Z. Kelsey Family,

We appreciate your cooperation to continue learning despite the closure of our schools and want to share some information with you. To provide support to you, we will be issuing a Chromebook laptop to only students that need a device on Monday, March 23 from 12pm to 6pm. Please report to A.Z. Kelsey Academy to sign a technology agreement and pick up a Chromebook. The legal guardian and child must be present to sign for receipt of a chromebook. Please remember that this will be based off the need your students or you expressed on a survey. If the pick-up time mentioned is not good for you then contact an administrator via email.

Regarding internet access, we have posted several options on our district website for free or reduced internet access at your home.

If you don't have internet access and still need paper copies of materials for your child to work from home during our school closure, please call the school at 770-229-4365, press 5, and leave a message with your child's first and last name & grade by Tuesday, March 24 at 4pm. The paper copies will be available for pick-up at the school on Monday, March 30th from 12pm to 4pm. Please see our school website for additional information. Thanks for your continued cooperation.

Your Principal,

Joshua Pittman
